I thought rates provided were based on MD but the email below says LMFT. LMPT and LPCC are the same as reflected (no reductions).
 PsyD would have a 10% increase over that of an LCSW.

Are these the same rates for an LCSW or LPCC? do i just add 10% for the PsyD rate?

Please see the emails listed below. I have followed your instructions but I still can not access a fee schedule. I have been working with Availity tech support today for an hour. They have not been able to help me access my fee schedule for our commercial Anthem services. Would you please provide us with the fee schedule directly. This is holding up services and we would like to move forward with Anthem.

Thank you

Could you please update me on the process with my agency's contract with Anthem Commercial Plans. At present I do not have a list of CPT codes or services Anthem covers or a negotiated rate for these services.
