

# SURVIVOR

You and your group have been ship-wrecked on a desert island. You only have a few moments to decide what you will bring with you to the island before your boat sinks. You are unsure when or if you will be rescued. As a group, decide on five items from the list below that you will take. Remember, you must decide as a group. (Note: While making the decision as a group, treat each other according to the label on each other's forehead. Don't tell anyone what their label says.)

- Toilet Paper
- Radio
- Matches
- Blanket
- Knife
- Cooking Pot
- Suntan Lotion
- Magazine
- Fishing Pole
- Pillow
- Fishing Net
- Shampoo
- Mirror
- Flare gun
- 3-day supply of food
- First aid kit
- Whiskey
- Small inflatable life raft

What do you think your label was?

How did it feel to be labeled in that way?
