Subject: Status Update: Evernorth Behavioral Health – Onboarding Packet Received Notice

Evernorth Behavioral Health Onboarding Packet Received Notice

Dear Amanda Alexander,

We have received your signed DocuSign packet and verified your Council for Affordable Quality Healthcare (CAQH) profile. Your application has been approved, and is currently in queue to be loaded by our Onboarding team.

No further action is needed from you at this time.

+ Next steps

Once your application has been loaded, it will move to the *Credentialing* phase, where we will begin verifying your credentials. During this phase, you may be considered a participating provider for patients who have coverage through a Health Maintenance Organization (HMO) or Employee Assistance Program (EAP), as long as you are eligible to provide these services. Always verify a patient's benefits and eligibility prior to rendering services by calling the number on the back of their ID card.

Once your application moves to the *Credentialing* phase, we will send you an email notifying you that we're verifying your credentials. The subject line of this email will be **"Status Update: Evernorth Behavioral Health - Credentialing Notice."**

Thank you for your interest in participating in the Evernorth Behavioral Health network. We look forward to working with you.

If have any questions, please contact your recruiter directly or outreach BehavioralContracting@Evernorth.com.

Sincerely,

Evernorth Behavioral NCU
