Dear KyHealth Choices Provider:

The Kentucky Medicaid modernization program calls for significant enhancements to the Kentucky Medicaid information systems. Many of these enhancements will directly benefit providers by allowing faster easier access to information, such as Member eligibility, Managed Care Organization (MCO), service limitations, claims inquiry, claim submission, and initial provider enrollment.

One of the many benefits you will enjoy is access to multiple online functions using a single user ID and password.

Your individual PIN number, which will enable you to obtain your user ID and password, is listed below.

Provider ID: **7100908760**

PIN Number: **g3Sm4rmL**

Log on to <https://public.kymmis.com/public/pinletter/> and use your PIN number to obtain your new user ID and password. For more information, contact the KY EDI Help Desk at 1-800-205-4696.

Sincerely,

Lisa Lee, Commissioner
