IMPORTANT NOTICE REGARDING YOUR PREMIUM

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how your car is used, who drives the car, and information from consumer reports.

You have the right to request, no more than once during a 12-month period, that your policy be re-rated using a current credit-based insurance score. Re-rating could result in a lower rate, no change in rate, or a higher rate.

SURCHARGES AND DISCOUNTS

AUTOMOBILE RATING PLAN - Applies to private passenger cars only.

Accident-Free Discount - Once your policy has been in force for at least three years with no chargeable accidents, you may qualify for our Accident-Free Discount. Once you qualify, this discount applies as long as there are no chargeable accidents, and may even increase over time.

Good Driving Discount - Newer policyholders who do not yet qualify for our Accident-Free Discount (available after three years with no chargeable accidents) may already be receiving a Good Driving Discount. This discount continues

to apply until your policy qualifies for the Accident-Free Discount as long as there are no chargeable accidents and no new drivers. If you add new drivers, they must also qualify in order for your Good Driving Discount to continue.

Chargeable Accidents - For new business rating, an accident is chargeable if it results in \$750 or more of damage to any property. For renewal business, an accident is chargeable as of the date State Farm pays at least \$750 (for accidents occurring on or after April 1, 1999) under property damage liability and collision coverages for an at-fault accident.

(continued on next page)

Surcharges - If there are chargeable accidents, you may lose your Good Driving Discount or Accident-Free Discount and receive accident surcharges. But if the accident is the first to become chargeable in nine years and this policy has been in force for at least that long, the Accident-Free Discount will continue and no surcharge will apply. The surcharge for each accident depends upon the number and timing of the accidents, and each accident surcharge will remain in effect up to three years.

Surcharges will be removed if the company is given satisfactory evidence that the driver involved is no longer a member of the household or will not be driving the car in the future. If that driver is insured on another State Farm policy, his or her driving record will be considered in the rating of the other policy.

These discounts and surcharges do not apply to all coverages. For complete details, see your State Farm agent.

ADDITIONAL INFORMATION

If any information on this renewal notice is incomplete or inaccurate, or if you want to confirm the information we have in our records, please contact your agent. For additional

information regarding discounts or coverages, see your State Farm agent or visit statefarm.com®.

Buying a new car? Remember to contact your agent!

When you buy an additional car or one that replaces a car already on your policy, you need to report the change to your agent **promptly**. Even though the dealership you purchased the car from may offer to notify your agent or insurance company, you, as the named insured, are responsible for reporting all changes to your auto policy. By contacting your agent, you can help:

- avoid any complications or lack of coverage in the event of an accident or loss,
- avoid insurance verification problems with a lienholder, the police, or the department of motor vehicles, and
- ensure that you receive any new discounts you may be entitled to.

Your current State Farm policy automatically provides certain coverages for a new or replacement car for up to a specified, limited number of days after you take possession of the car. Please refer to your policy for the number of days that applies in your state.

If you have any questions about coverage for a newly acquired car, please contact your State Farm agent.

Disclaimer: This message is provided for informational purposes only and does not grant any insurance coverage. The terms and conditions of coverage are set forth in your State Farm Car Policy booklet, the most recently issued Declarations Page, and any applicable endorsements.

Important notice regarding coverage choices

If there are multiple cars in your household insured by us, you have important coverage choices to make that will affect the amount of coverage available to you and how much you pay for:

- Uninsured Motor Vehicle Coverage,
- Underinsured Motor Vehicle Coverage, and
- The portion of No-Fault Coverage in excess of \$10,000.

You can purchase these coverages on just one policy in your household or on more than one policy. If you buy these coverages on just one policy, coverage limits from the one policy apply to all cars owned by resident family members.

If you buy these coverages on more than one policy, coverage limits from each resident family member's policy can be added together. The premiums for Uninsured Motor Vehicle Coverage, Underinsured Motor Vehicle Coverage, and the portion of No-Fault Coverage in excess of \$10,000 are based on the number of drivers in your household who are family members.

Be sure to review your coverage limits to make sure you have adequate protection. For the coverages listed above, additional coverage may be available for purchase. Coverage changes to any policy will affect the coverage available to the household. The coverage available to the household members can also be affected when cars or drivers leave the household. If you have any questions, contact your State Farm® agent.
