Good afternoon,

I unfortunately do not have access to pull "roster" information into a report.

If you would like to send me a list, I will be happy to pull up your provider record and confirm if I see the clinician affiliated with your group.

If you need a roster sent from us, I believe you will need to reach out to Provider Services at 1-800-578-0775.

Thanks,

Good morning.

I am currently in the process of updating our records. Is there anyway to get a provider roster? I am needing to be sure we have all providers in network.

Thank you,
